10am - 12.30pm

Moray Street Campus, IV30 1JJ

## Introduction to the Programme

You will receive an overview of the HNC Social Sciences course, learning outcomes, assessment methods and the academic standards expected. This will give you a clear understanding of what lies ahead and how to navigate through your course successfully.

## Meet Your Lecturers and Peers

This is a great opportunity to meet your lecturers and fellow students. Building a supportive network with your peers can enhance your learning experience and provide mutual support throughout your studies.

## Resources and Support Services

Learn about the various resources available to you, including the library, study spaces, IT support, and student support services. Knowing where to go for help can make a significant difference in your academic journey.

## Important Information

We will cover important administrative details such as enrolment procedures, campus facilities, and Highlands and Islands Student Association (HISA). Being informed will help you stay organised and manage your time effectively. This information is essential to ensure a smooth start to your academic journey.

## Skills Workshop

Participate in a workshop designed to equip you with essential skills such as critical thinking, academic writing, and research methodologies. These skills are fundamental to your success in the HNC Social Sciences programme.

## Campus Tour

Familiarise yourself with the campus through a guided tour. Knowing your way around can make your first days much less stressful and help you settle in more quickly.
